Winchester artist Ruth Lieberherr, an avid open-water swimmer, presents "Living Water: Art Inspired by Life, Spirit, and Renewal," an exhibition celebrating the transformative power of water.

Her love of swimming in lakes, rivers, and the ocean inspires her artistic exploration of water as both a physical element and a mystical, healing force. Lieberherr's paintings evoke memory, mystery, and the quiet energy of natural waterways, while selected mixed-media pieces address pressing environmental concerns such as pollution and climate change.
